Ranchi Jesuits, Sadbhavna P.B. - 4, Ranchi - 834 001, Jharkhand

JULY 2017

## From Provincial's Desk

Ranchi Province, having a network of about 127 schools at various levels – primary, middle, high and higher secondary or inter – is spread over the states of Jharkhand and Assam. There are 25 High Schools and 8 Plus Two or Inter Colleges in Arts, Science and Commerce streams. It is indeed a herculean task to maintain the quality of the schools in the 7 key areas of educational assessment as suggested by the 'ADHYAYAN' (an Educational Organization) supported by PORTICUS, namely leadership and management, teaching and learning, the child, the curriculum, community & partnerships, infrastructure and Jesuit way of running the school. This assessment facilitates knowledge of our strength as well as our weakness on which we have to work in a more focused way to improve our grade and such process and exercises will help us to revisit and revitalize our Education Ministry. This assessment is very much in keeping with the revisiting of the Jesuit legacy.

It is in this context that a postmortem of the Class X and Class XII results of the schools of the Ranchi Province is not out of place. The table presents the percentage of the students passing in various marks categories.

% age of pass students	Class X	Class XII (Arts)	Class XII (Science)	Class XII (Commerce)
100%	03	01	01	01
90% & above	09	03	-	01
80% & above	05	01	-	03
70% & above	01	02	-	01
60% & above	01	-	02	-
50% & above	06	-	02	-
40% & above	-	-	01	01
30% & above	-	-	01	-
10% & above	-	-	-	01
<b>Total schools</b>	<b>25</b>	<b>07</b>	<b>07</b>	<b>08</b>

While congratulating the Principals, their Jesuit and non-Jesuit colleagues and collaborators, an analysis of the results raises a few questions for our consideration, especially when the Province Days 2017 has endorsed the Education Ministry as the first priority of the Province.

First, a serious implementation of the ‘option for the poor’ policy is indeed challenging. This is our commitment. The Jesuits are there with a purpose. We are for all but with a strong bias for the most vulnerable and marginalized people of India. There is no compromise on the policy. This is not to suggest that some results are bad because majority of the students are from the weaker sections of the society. In fact, in many schools, either Jesuit or other, some of the toppers, even at the state level, are tribals and the children of auto-rickshaw drivers or daily wage labourers. Hence, the argument is not ‘merit’ but ‘equal opportunity’. There is no compromise on the quality. The Jesuit legacy of MAGIS needs to be worked out more systematically and consistently.

Second, the criteria of evaluation of schools, colleges and professional education are debatable if they are only performance and infrastructure oriented. A comprehensive evaluation takes seriously the admission policy of the institution. If an institution has the intake of students scoring 80 per cent and above, who score the same percentage when they graduate, what is so great about it? The Jesuit charism proposes the intake of all students irrespective of their marks, drill them and get the best out of them. This is the difference we should aim at!

Third, the Province Education Commission has given a clarion call for “Revisiting and Revitalizing our Education Ministry.” Many activities for all-round development of the students are taking place all through the year. Seminars, workshops, skill development of the teachers, exposure programmes, etc., too, are being conducted on a regular basis. While we continue some of the programmes selectively, we also need to assess our performance of this year objectively and scientifically in view of addressing the bottlenecks and hurdles in the way to creating toppers and first divisioners despite their background.

Prof. S. K Thorat, a Dalit scholar from JNU and the former University Grants Commission (UGC) chairman, who later became the chairman of Indian Council for Social Science Research (ICSSR), views that in India exclusion involves social processes that exclude, discriminate, isolate and deprive some groups on the basis of group characteristics like caste and ethnicity. According to him, there are many such social groups which constitute a significant section of the population. These include the so-called untouchables, tribals, nomadic, semi-nomadic and de-notified tribes (previously known as criminal tribes). Although these social groups experienced exclusion and isolation, there is a difference in the sources and processes of their deprivations. Caste, untouchability and ethnicity-based exclusion thus reflect the inability of individuals and groups like ‘untouchables’, Adivasis and similar groups to interact freely and productively with others and to take part in the full economic, social and political life of a community (Bhalla and Lapeyre, 1997 as in Thorat 2010).

The challenge before the Province Education Apostolate is to be inclusive and be the best!

### **Congratulations for 2017 & Best wishes for 2018!**

**Please Note:** This being the monsoon time, agricultural activities are in full swing. While we continue praying for good rains, we are invited to take the vision of Pope Francis articulated in the *Laudato Si’* forward. It is my earnest desire that each parish and institution of ours engages in a serious concerted effort to plant as many fruit and timber trees as it can. This is a small token of our participation in God’s plan of creation. There are many other initiatives that we can take as a follow up of the *Laudato Si’*, but tree plantation is a small but concrete step forward.

## Prothrapur, Andamans

Before Frs. Anthony Doongdoong and Albert Ddungdung left for Ranchi, Fr. Anthony shared his experiences with the faithful on the 1<sup>st</sup> Friday of the month. His sharing captured the attention of the faithful. Thanks for his readiness and generosity!

Some priests from Bangalore, secretaries of the CBCI for various commissions visited Prothrapur parish on 5 June morning to have some important information on the situation of the parish and faithful. Fr. David shared it with them readily. They also visited nearby parishes for the same purpose. These officials again shared about their works and commissions in detail in the Bishop's House. These priests came to Port Blair Diocese basically to know the situation as no representatives from Port Blair have represented the diocese in any meeting so far.

On 18 June Fr. David celebrated the Holy Mass on the occasion of the feast of St. Anthony of Padua, the patron saint of Chidiyatapu Church. They had a novena as a preparation. On this occasion Mr. Sanjay Meshack, the President, Catholic Association Prothrapur Parish and Councilor was the chief guest who assured any help, the faithful would require for the development of the Church, he would fulfill it.

Fr. Edward Kerketta, SJ, returned Prothrapur on 19 June refreshed after his home (desh) visit and the near and dear ones and continues to carry out his responsibility faithfully.

## St. Mary's Samtoli

On June 4 Fr. Rector went to Gumla to give a talk to the members of the MTA (Mid Term Assembly) at St. Anne's Provincialate. He had just inaugurated it on the previous day and on the following day after the Mass he had to hurry back to appear at the Simdega court regarding the land given to the Bishop of Simdega. Fr. Xavier Soreng and Fr. Peter Mahendra Tigga came to help us in the court case.

The farewell mass was celebrated in the evening for both the regents when the community thanked them for their precious contribution in the mission of the Society at Samtoli. The community wished them success in their life. Earlier Sch. Samir Bhawnra was given farewell in the school and Fr. Anup Ekka was welcomed in the hostel.

A deep bore well is installed at Konmenjra with 360 ft deep. A good water source was found and could not go deeper than that because of the pressure of the water.

On June 17 the father of Sr. Sudha, SJT, a collaborator in our English Medium School expired. Fr. Rector and two teachers went for the burial and for the Gami Mass Fr. Bruno accompanied by the same teachers went to Chetma in Chhecchari.

The doors of some of the living rooms are being changed in the community as they were giving way. These doors have witnessed many generations of Fathers and Brothers. The work is in progress and may take a few days to complete them.

The Director of the Apostolic School went to Gumla with the boys to celebrate the feast of St. Aloysius Gonzaga on June 25 and were back refreshed for having seen Gumla, specially the students.

This year we are having a good rain in Simdega. People are now seen working in their fields, so are our workers busy putting manure and preparing the fields of St. Mary's for cultivation.

*Fr. Linus Ddungdung, SJ*

## St. Ignatius' Gumla

The Group of 4 scholastics who were here to help the Apostolic boys left for Ranchi and then to Pune on 1 June. The next batch of 4 followed on 4 June to replace them. Fr. Sylvanus Kerketta celebrated his birth day on 6 June with a Holy Mass in the community. Manohar Khoya was back from his visit to his relatives in the Tea Gardens, Jalpaiguri. Br. Prakash, our new Minister, was escorted into St. Ignatius' community by the Patrachauli community on 10 June and he formally took over his office on 13 June. On 12 June, The World Child Labour Prevention Day, the AROUSE organized a seminar where one of the dignitaries present was the Labour Superintendent, Gumla.

On 14 June the H/S and Inter College reopened after the Summer Vacation. Sr. Jyoti, DSA, has joined our English Medium School on 16 June as a teacher. The community offered condolences in their house to Mr. and Mrs. Justine Tirkey, both staff of our school, who lost their father on 17 June. The Headmaster went for a burial to his native village beyond Soso. Some of us went to pilgrimage to Karondabera on this day. The day-school routine was switched over from 19 June in the School.

This year since the feast of St. Aloysius Gonzaga, 21 June, fell on a working day the public show by the Apostolics was postponed until 24 June. That day the three-hour long drama cum cultural show for the outsiders was put up in the evening followed by a community dinner hosted by the Apostolic School. Fr Provincial was the Chief Guest in this event. Samtoli Apostolic School too was here for the two-day celebration. On the next day Football matches were played by the two teams each from both the Apostolic Schools. Samtoli won one match and lost another and the same tally was for Gumla. The Apostolic Gumla again put up the show for the entire school and Inter College on 27 June. It was appreciated very much by all. Some of us went to Ranchi for the burial of Fr. Victor Surin, SJ, on 29 June. The Monsoon seems to have arrived. We are in for the preparation of **the Great Day, 31<sup>st</sup> July, the Patron Saint's Day of the School.**

## CLIVE'S HOUSE, TRICHY

The Clive's House Community was glad to welcome the nine new scholastics from five different provinces. All the scholastics including the new comers were happy to meet after a month of summer vacation. The summer vacation has refreshed all the scholastics in their provinces and now they are engaged in their Academic studies. The weather is playing villain to fresh scholastics here. Some are getting sick and others are struggling to settle down.

On 14 June we had the orientation programme by Fr. Thamburaj, SJ. This programme gave us the confidence to mingle and prepare ourselves for our coming academic studies. On 16 June the college reopened after the summer holidays. There were three days of orientation programme for all the fresh students.

Clive's House Scholasticate has got its new Superior and Minister: Fr. John Britto, SJ, and Fr. Benedict Santosh, SJ, respectively. Fr. Britto was the Rector of St. Joseph's college. The community welcomed them warmly.

The community had an election for the office bearers. There was discernment before the election for beadle and sub-beadle. Sch. Sushil Raj, Patna, was elected beadle and Sch. Anil Nag, Ranchi, the Sub-beadle. Fr. Superior thanked the old service team and wished good luck to the new team to take the house forward towards Magis.

## Jharna- Ashirvad, Namkum

Fr. Sylvanus Kiro was not keeping well for some time. His unstable BP and some other health complications confined him in Seva Nilaya Health Centre, Ara Gate the whole last week of June. When he made some improvement, he returned to the community and began preparing for the Scholastics retreat as had been planned earlier. But he was too weak. So Fr. Director requested Fr. Ferdinand to come to the rescue. Realizing that Fr. Sylvanus' health was deteriorating, Fr. Sudhir Minj, Socius, advised us to keep him in Manresa House Infirmary which we complied on Tuesday, 4 July for regular monitoring his BP and medical care. Now he is recuperating there.

As usual the Jharna Spirituality Centre continued accommodating different retreat and seminar groups in the month of June. St. Charles Boromeo Sisters had their retreat cum Province Chapter, June 21-30. Fr. K.C. Philip animated the group. Then Fr. K.C. left for Shilong to give retreat to Franciscan Brothers. Fr. Deepak was with the first year Theologians of Tarunoday, Boreya, giving them the Spiritual Exercises on June 22-29. MC Brothers and Sisters of the Central zone made their annual retreat here in the first week of July. Frs. Chonhas Lakra and Deepak directed the groups respectively. Br. James Barla, Province Coordinator for Brothers led the group of the Province to Atma Darshan, Patna for the Annual retreat cum seminar of the Assistancy level from June 18-26.

Before applying for the First vows in the Society of Jesus, Fr. Provincial visited each 2<sup>nd</sup> year novice in May last. Then they went to RTC Tarunoday, Boreya, for their Vows retreat from June 4-13 accompanied by their Novice Director. The first years made their annual retreat at Ashirvad guided by Fr. Socius. On June 19 morning, 11 new comers arrived here led by Fr. Suman Beck, the PCF

and were lodged in Jharna Spirituality Centre for their First probation. They joined the Ashirvad Novitiate family on July 2.

June 21, the feast of St. John Berchmans, SJ, has been a traditional day for taking First Vows in many Jesuit Novitiates. This year 17 second year Novices of the Province took their first vows in the Society: 11 in Ashirvad Novitiate, Namkum; 2 each in Jesu Bhawan, Jamshedpur, Manresa Jesuit Novitiate, Kalingpong and St. Stanislaus' College, Sitagarha. Fr. Provincial, Joseph Marianus Kujur, SJ, officiated at the solemn Eucharistic celebration in the

Jharna-Spirituality Centre auditorium at 5.30 p.m. and also received their vows. On this occasion many Fathers and Brothers of the Province, some Religious from the neighbouring communities and guests around the campus participated in the programme. The new Juniors bid farewell to their *Alma Mater* and left for Manresa House the following morning. They departed for their respective Juniorate Centres for their next stage of formation. Ashirvad Novitiate resumed its usual life with 26 novices: 11 first years and 15 second years from July 3.

Raymond Kerketta, S.J.

### Jeevan Deep, Pre-Novitiate, Namkum

Jeevan Deep Pre-Novitiate was shifted from St. Michael's Khunti to ATC (Agricultural Training Centre), Namkum on 22 June 2017. However, for some practical reason the inauguration at ATC, Namkum, took place only on 11 July 2017 with a Holy Eucharist celebrated by Fr Provincial Joseph Marianus Kujur, SJ, and assisted by the Fathers of Sadbhavna, Jharna and ATC Namkum. In the homily

Fr. Provincial expressed satisfaction on the Gospel passage "The harvest is plentiful, but the labourers are few." Ranchi Province has both in plentiful – the harvest as well as the labourers with God's grace. Therefore, we continue praying for both. There are 26 candidates who have joined the Pre-Novitiate as given below.

## Guyana

In June, Carl Philadelphia, son of the soil, a seminarian for the Diocese of Georgetown, was ordained Deacon by His Lordship Bishop Francis Alleyne, OSB. Along with the parishioners, a good number of religious men and women graced the occasion. At present with him there are three deacons- Br. Berchmans Devadas, Br. Juel Rathan and Br. Carl Philadelphia to be ordained Priests for the diocese next year.

31 young adults received their First Holy Communion at Our Lady of Lourdes Church Hosororo, Mabaruma, on the Corpus Christi Sunday. Fr. Amar Bage, the Parish Priest presided over the Solemn Holy Eucharist. Fr. Mark Mukul Lakra visited all the four parish communities in Berbice: Port Mourant, Springland, Siparuta and Black Bush Poldar and administered the sacraments. Both of them, Fr. Joseph Raj and Fr. Mark Mukul Lakra joined the community of Georgetown and went to Kayuka, in Linden High way for their community faith sharing. On June 18, the Fathers' Day was celebrated with great joy and enthusiasm at St. Anthony of Padua Church Buxton-Friendship in East Coast Demerara. On the same occasion, 9 children of the community made their First Holy Communion. Fr. Anil Tirkey devoted his time and energy in the formation of his Parish Lay Assistants to be the Extra-ordinary Holy Eucharist Ministers in their nine church communities.

In the Pakaraimas during the rainy season the communities of Kaibarupai, Sand hill, Waipa, Itabac, Kanapang and Chenapou were under floods due to

the heavy rain. The government assisted them according to their need. Fr. Elias Surin, the Parish Priest visited them. On June 24 one day programme for 95 Confirmation candidates was arranged who learnt the lessons by the Parish Lay Assistants on Sacraments. Jesuit Scholastic Joel Thompson spent three weeks in Karasabai for his research work to complete his Master's Degree from London School of Economics. Srs. Divya Gulab, Seraphina Kerketta, Nishi S. Kujur and Crecencia Toppo conducted a Training Programme for a week for their Parish Lay Assistants at St. Teresa Church Karasabai. 35 of them participated. The people are happy and satisfied as their new magnificent church is complete and ready to be blessed on August 6.

*Fr. Elias Surin, SJ*

## Jerusalem

It was a wonderful grace and privilege for me to be able to visit friends, relatives and the Province members during the month of May. I was very happy to see Fr Sudhir Minj, SJ, the Socius, at Ranchi Airport waiting for my arrival. A short friendly conversation with the Provincial, Fr Joseph Marianus Kujur, SJ, gave me a great sense of belongingness. The hospitality and acceptance rendered by Sadbhavna and Manresa House Communities have been very touching and unforgettable. Province Gathering was another precious occasion that gave me a sense of unity and brotherhood with the Province members.

Thanks to Fr Sibil Horo and Fr Albert Dungdung who accompanied me up to the Ranchi Airport on my

departure. The journey back to Jerusalem on June 8 and 9 was good though a bit tiring as I had to keep awake the whole night in Delhi. The plane left Delhi at 6.15 am on June 9 and arrived at Istanbul by noon. The next connecting flight was at 3.00 pm, and I reached home at about 6.00 pm. The Summer heat is gradually increasing although evenings in Jerusalem are always pleasant and comfortable. Summer is the time for tourists and pilgrims to come to the Holy Land. The city of Jerusalem and Bethlehem have been witnessing to thousands of pilgrims and tourists daily coming from all over the world. The month of Ramadan became another reason why the streets of Jerusalem got exceptionally crowded. The Muslims from far and wide came to pray at the Mosque (the Golden Temple) as they had free access to enter into the Holy City. Thousands and thousands of Muslims arrived every day, but specially on Fridays their number was exceptional. The Muslims during Ramadan announce the beginning and end of the Fast by firing a cannon ball in the air.

The spirituality programme started on May 20 which lasted till June 10, 2017. There were only four participants: Fr Leszek Gesiak from Poland, Fr Joseph Hayes from Ireland, Fr Eric Eusebio from Philippines and Fr Francis Xu from China. Fr Jorge Serrano, SJ, from the General Curia, Rome came to have the experiences of Jesus in Jerusalem and Galilee. At the end of June the meeting was held for three days on Jewish Christian dialogue under the leadership of a French Jesuit, Fr Marc Rastoin. There were nine Jesuits from different universities in the world who came for the meeting: Fr Jean Pierre Sonnet, Fr Philip Renczes and Fr Roberto Lopez from the Gregorian University, Rome; Fr Christian Rutishauser, the Provincial of Switzerland, Fr Guido Bertagna from Milan, Fr Jim Bernauer from Boston college, Fr Michael Castori, from Berkeley and Bishop Michael Barber from the diocese of Oakland, USA. The PBI community too had a part in the meeting. The last day was dedicated to prepare reflections to be sent to Fr General for further considerations.

Fr. Camil Kerketta, SJ

## Paris

The months of May and June kept both of us quite busy with our assignments and exams. The French language exams for level B 1.1 was held from 16 to 19 May whereas the exam for the theology was scheduled from 13 to 22 June. So, no sooner did we finish our language exams, once again we stick ourselves to the desk to complete the written assignments which had to be submitted on 7 June.

The 2<sup>nd</sup> June was the last day of the regular classes for the current academic year of Centre Sèvres, the Jesuit Faculty of Paris. On the same evening a thanksgiving Holy Mass was celebrated to thank the Lord for His immense blessings during the academic session 2016–2017. The Holy Mass was presided over by the president of the faculty Fr. François Boëdec, SJ. It was the last day for Fr. Boëdec as the president of the faculty for he is appointed the new provincial of the future Jesuit Province of Europe Occidental

Francophone (EOF), which will be created this September 2017 to replace the Province of France (GAL) and the Province of Southern Belgium and Luxembourg (BML). Centre Sèvres thanked him for his valuable service to the faculty since 2015 and organized a farewell programme in his honour. Despite the exam fever Indian Jesuit students came up with two beautiful dances (*Nagpuri* and *Tamil*) to mark the occasion, which were well appreciated.

David and I appeared in the comprehensive oral exam on 15 June. After the exam, we felt relaxed from the doubled stress of exam due to our broken French language. All the same, we were quite happy and satisfied with our effort and performance. The summer vacation began on 22 June. As part of the summer ministry both of us preferred to work with the seamen in the commercial city Marseille, situated at the bank of the Mediterranean.

Sch. Jyoti Paul
