

JUNE 5, 2022: WORLD ENVIRONMENT DAY CELEBRATION

Posted on: 05 Jun, 2022 Modified on: 05 Jun, 2022 Posted By : Fr Francis David Kullu, SJ

As the whole world marks today the World Environment Day, St Xavier's College, Ranchi observed a Tree-Planting campaign. This drive was carried out by planting saplings in Manresa House Campus under the leadership of Fr Nabor Lakra, SJ (SXC, Principal), Fr Amrit Lakra, SJ (Manresa House, Rector), Fr Prabhat Soreng, SJ (SXC, Registrar). In this tree-plantation drive the Scholastics of Manresa House Scholastic and religious students of St Xavier's College, Ranchi took part actively. The World Environment Day Function was organized at 10.00AM today by Fr Prabhat Kennedy under the joint venture of Manresa House, Ranchi and St Xavier's College, Ranchi.

The drive was carried out with a slogan, "Nourishing nature for a better future". In the next few days more activities will be carried out. The campaign drives the message that we have only one earth and it is our duty to keep this earth safe, neat and clean. If there is nature, there is future!

Let it be known that "Caring for the Common Home" is one of the Universal Apostolic Preferences all over the world. In the regard Ranchi Jesuits have already mandated all the institutions and houses to carry out numerous such activities with an objective of Caring for and Preserving our common home and promoting justice and biodiversity.
